Enhancing Governance, Management and Reform in Sri Lankan Universities through Non-Academic Staff Training

On-line Coordination meeting of the Project Management Committee of the ENACT project was held on 28 March 2022.

All partners of the project participated. The Director/IA of the SLTC gave an update on the dissemination activities carried during the period.

PROJECT PARTNERS

Transnational Training Workshop Masaryk University, Brno, Czech Republic (16th -19th May 2022)

Building Skills and Capacity to Support and Cope with Internationalization

The Transnational Training program of the Capacity Building in Higher Education project on 'Enhancing Governance, Management and Reform in Sri Lankan Universities through Non-Academic Staff Training (ENACT)' on Building skills and capacity to support and cope with internationalization was held from 16th May 2022 to 19th May 2022 Masaryk University, Brno, Czech Republic.

The European University partners of the project participated in this program which was hosted by Masaryk University, Czech Republic. This program included 29 participants from Sri Lankan partner universities and 05 members from European partners.

The training workshop had the objective to improve the knowledge and skills of the non-academic staff from the SL partner universities. It was focused on creating awareness of internationalization, helping non-academic staff understand the importance of internationalization and build attitudes and skills to support internationalization at their university. The key topics during the sessions were related to networking for learning and transfer of global good practices of university administration and building skills and capacity to support and cope with internationalization.

The Eastern University, Sri Lanka, University of Peradeniya, Sri Lanka Technological Campus, University of Moratuwa, University of Ruhuna and Rajarata University of Sri Lanka were the partners represented at the training.

Second Project Management Meeting

Masaryk University, Brno, Czech Republic (20th May 2022)

The Second Project Management Meeting was held on 20 May 2022, following the transnational training program in Brno, Czech Republic.

This was a working meeting of the Project Management Committee which involved transnational mobility. It was focused on streamlining project management and implementation. The main objective of the meeting was to review technical and financial implementation and reporting, including quality of outputs and results.

Dr. J.Sutha, Coordinator, ENACT presented the overview of the project. Additionally, Ms. Violeta Osouchova presented the summary of the Transnational training program on Internationalization and the progress reported on Quality Assurance and Quality Control by Dr. Gergana Dimitrova, ECQ.

Replication of TOT for the Fellow Non Academic Staff of – 18 August 2022

Following up on the Non-Academic Staff Training at Masaryk University, the Czech Republic from 16 – 19 May 2022, ENACT Project team of SLTC organized a Training of Trainers (ToT) as **Knowledge Sharing Session** at the SLTC campus.

Over 25 non-academic staff members representing various departments and offices participated in the event.

First Multiplication Training at SL Partner Universities

Following up on the Transnational Training Workshop on ‘Building skills and capacity to support and cope with internationalization’ at Masaryk University, the Czech Republic held in May 2022, the SL Partner Universities organized First Multiplication Training programs on ‘Internationalization’ for executive and non-academic staff within their Universities.
